M	I	E	T	E	A	I	U
Y	S	N	I	D	D	C	E

It is time to demand organic and genuine food. We had long conversations with friends about how to describe a good meal or dish, looking for ways to say tasty, yummy, appetizing, delectable, scrumptious, palatable, and on and on. There should be a unique recipe somewhere!

LOCATE SIX WORDS IN THE GRID

Each word starts with a letter from the word you found in the crossword puzzle.

After you find all the 6 words in the grid use the letters they start with to form a word.

Then unscramble the word.

- **Enigma/puzzle**

It is time to demand organic and genuine food. We had long conversations with friends about how to describe a good meal or dish, looking for ways to say tasty, yummy, appetizing, delectable, scrumptious, palatable, and on and on. There should be a unique recipe somewhere!

Students will have to locate six words in the grid. Each word starts with a letter from the word they found in the crossword puzzle. After they find all the 6 words in the grid they have to use the letters the words start with to form a new word and unscramble it.

- **Estimated solving time**

5 -10 minutes

- **Solution**

GENUINE, ORGANIC, RECIPE, TASTE, UNIQUE, YUMMY

GORTUY

Unscrambled: YOGURT

- **Depends on (For example: depends on finding element 1)**

If they remember the solution word from the crossword, it will be easy to locate the words.

- **Benefits (For example: allows you to find the coordinate of ...)**

The unscrambled word (yogurt) and the word “recipe” will lead to the next phase.

- **Hints:**

- **Hint 1
(subtle)**

Most of the words describe a food product.

- **Hint 2
(easy)**

One of the words gives instructions how to make the product

- **Hidden place/placement**

In box/folder 4

- **Material needed**

- pen
- highlighter
- paper
- ...
