Project No 2021-1-RO01-KA220-SCH-000035907

In Slovakia, Bratislava (04.12.2022-10.12.2022)

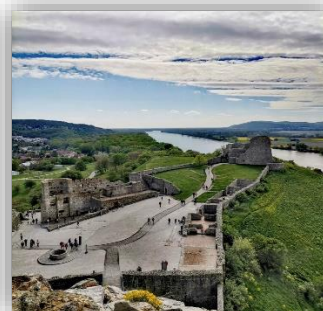

From Maria Georgieva

04.12.22- Travel from Bulgaria, Sofia to Slovakia, Bratislava.

**Day 1 (05.12.22) :** On the first day at the hotel academy school, we were warmly welcomed by a Slovak group who introduced us to their customs and traditional cuisine. Students from all countries communicated through pre-prepared activities. One of them was quick interviews with each other. After that the students presented data from a survey they made in each country on the topic of “Food waste”.

**Day 2 (06.12.22) :** On the second day, the students were divided into international groups, having tasks that made them become united as a team. One task was to make a paper airplane that would hold a coin in flight. The other task was to make presentations with solutions to environmental problems. After their presentation, we visited the Devin fortress - an ecological and historical site, which is located near Bratislava.

**Day 3 (07.12.22) :** On the third day, the students learned about making clothes from natural dyes. The students and teachers were challenged to produce paint from food waste and dye socks which were then kept for us as gifts. We were all very excited and ready with ideas to dye more clothes at home.

**Day 4 (08.12.22) :** On the fourth day of our trip, we visited Vienna, Austria. We visited several museums, Christmas markets and a zero food waste restaurant. And during that day everyone learned something new and had fun.

**Day 5 (09.12.22) :** On the last day, the students worked again in international teams. This time they had to create a commercialized toy. This activity made them think from an environmental perspective as well as a financial one. At the end of the day, each group received certificates.

The entire trip was rewarding for both students and teachers. Everyone shared skills and experiences and gained knowledge about working in a team with people of different nationalities.

**10.12.22- Travel from Slovakia, Bratislava to Bulgaria, Sofia.**
